

Let's go on a digital scavenger hunt! The Clear Creek County Library District website is a treasure trove of information and resources, just waiting for you to explore!

Instructions

Choose the appropriate age category below and complete the tasks listed. Submit completed materials to hello@ccclid.org by April 30, 2020. Individuals who complete the scavenger hunt will be entered into a drawing to win a prize of your choice: a Kindle Fire, a \$50 gift card to a Clear Creek County business, or a \$50 gift card to a Colorado bookstore. There will be a prize for each age category.

Note: Many of the challenges require a library card. It's easy to get one from home! Simply fill out [this form](#) or email hello@ccclid.org.

Pre-school - 3rd Grade

1. Pick a recipe from a country that starts with the first letter of your name from [A-Z World Foods](#). Share a couple of sentences about the recipe, or if you would like, make the recipe and share a photo!
2. Go to the [Science Reference Center Database](#) and research your favorite animal. Share two facts about the animal.
3. Read one of our [e-newsletters](#) and check out the fun reading resources linked at the bottom. Let us know which you use.
4. Name two childrens' books that you found in our catalog.

4th - 6th Grade

1. Pick a recipe from a country you've never heard of on [A-Z World Foods](#). Write a paragraph summarizing the recipe and its importance to the country, or if you would like, make the recipe and share a photo.
2. Go to the [Science Reference Center Database](#) and research your favorite animal. Share four facts about the animal.
3. Through our catalog, find a book and put it on hold. Let us know which book you requested!
4. Name a kids program that happened in February 2020.
5. Watch a YouTube video on our YouTube channel. Submit which video you watched and the date you watched it.
6. Get help from a live tutor on [Brainfuse](#). Take a screenshot and submit it!
7. Find out more about your family on the [My Heritage Database](#). Share something you discovered!

Teens

1. Pick a recipe from a country you've never heard of on [A-Z World Foods](#). Write a paragraph summarizing the recipe and its importance to the country, or if you would like, make the recipe and share a photo.
2. Go to the [EXPLORA Database](#), choose a biography, and share a piece of information you learned.
3. Go to [Newspaper Source Database](#) and find something that happened on your birthday and share.
4. Through our catalog, find a book and put it on hold.
5. Watch a YouTube video on our YouTube channel. Submit which video you watched and the date you watched it.
6. Like the Library District's social media accounts - we have Facebook, Instagram, and Twitter.

Adult

1. Download the Libby app to your smartphone or tablet. (take a screenshot)
2. Borrow an item through the Libby app. (take a screenshot)
3. From the [Auto Mate Database](#), find out how much it would cost to replace the brakes on 2012 Honda CRV
4. Pick a recipe from a country you've never heard of on [A-Z World Foods](#). Write a paragraph summarizing the recipe and its importance to the country, or if you would like, make the recipe and share a photo.
5. Use the [NoveList Database](#) to find a new author you're interested in.
6. Through our catalog, find a book and put it on hold.
7. Find a health tip on the [Consumer Health Complete Database](#) and share it with us.
8. Name an adult program that happened in February 2020.
9. Watch a YouTube video on our YouTube channel. (submit which video you watched and on what day)
10. Like the Library District's social media accounts - we have Facebook, Instagram, and Twitter.
